

# Walk For The Environment Registration

## Walk For The Environment Registration

### Brief Idea of the Walk:

The Walk for the Environment was created for a couple reasons. One reason is that it will help the environment. If you would like to receive an eco-bag—there is only one—you must win the raffle. The first 95 registration forms to come in, receive a water bottle, but the following registrations will still be able to participate in the walk. The money we raise goes to helping put the very first green roof on McCall Middle School. This would be the first green roof in Massachusetts, maybe the United States, and it may even be the first one in the world! This is linked with Cool Winchester Sustainable Energy. They have a goal of reducing our carbon foot print by 85% over three years. The students who are organizing this are Sayak Chatterjee, Annie Kelly, Alex Farone, Kate Cashion, and Paul McGeehan. These students are from Lanie Higgins 6<sup>th</sup> grade All-Star science class.

**\*CASH ONLY!\***

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

### A note from the organizers:

Thank you for participating if you signed up! We will definitely need volunteers, and walkers! Remember, if you participate, you get a water bottle! The money goes to a good cause. We are working on this project from Cool Winchester! We are so grateful for all who signed up. This registration form is due by Thursday, May 29. If you do not have it in by then, you cannot participate. If you have any further questions we'd be glad to answer them. Just contact Annie Kelly at [walk4environment@gmail.com](mailto:walk4environment@gmail.com). We hope to see you at the walk!
